Welcome to Westwood Christian School

Dear Parents,

Thank you for considering Westwood Christian School for your student's education and training. We offer a distinctive Christian education based on the Word of God as the center for all truth. Our goal is to lead our students to develop a relationship with God and then to learn to live for Him.

The academic program at Westwood Christian School is "core" curriculum focused. We believe that our students need a solid academic foundation for success at the university level. In a given school year, most WCS graduates (95% +) matriculate at both Christian and state universities and colleges throughout the United States. Our program is fully accredited by the Florida Association of Christian College and Schools, the National Council for Private School Accreditation, and the Middle States Association of Colleges and Schools. Accreditation covers our preschool through 12th grade programs.

We are here to serve your family in Christian Education,

Mr. Bill Thomson
